Product Information

Even better than RGB Rock Lights, are RGB+W Rock Light Kits! Enjoy our super durable rock lights kits now with a 4th LED Diode on the circuit board to enjoy a pure white hi power diode! This is available spare pod that is available for our 4, 6, 8 and 12 piece rock light kits. This single RGB+W pod comes with the mating connector that only fits our kits. The cable size is the exact size as the cable in our kits, not longer, not shorter. If you need to service a single pod on our RGBW kits, you can now purchase this part to take care of customers down the road after the warranty period. Stop pulling out the whole kit to service a pod long down the road.
