Product Information

Unleash the power of color and illuminate your ride with the RS-5050-5MB 16ft (5M) 5050 LED Strip in a captivating Blue hue. This is not merely a tape strip; it's a transformative lighting system designed to redefine your vehicle's aesthetic and make a bold statement on the road. With an extended length of 16 feet (5 meters) and an array of advanced 5050 LED diodes, this tape strip invites you to customize your driving experience with a radiant and dynamic blue glow. At the core of this lighting marvel are the advanced 5050 LED diodes, meticulously designed to deliver a brilliant and consistent blue illumination. The richness of the color is both calming and attention-grabbing, creating a stunning visual effect that sets your vehicle apart with an unmistakable sense of sophistication. 16ft (5M) 5050 LED Strip (Blue) - Tape Strip Reel Custom Lighting System
