Product Information

This six LED strobe light is ideal for warning, municipal, and safety applications. This unit utilizes six high intensity LEDs with an optical lens. These low-profile surface mount strobes are resistant to collision and dust, and are splash-proof. They feature nineteen adjustable, alternating, and synchronized flash patterns, low power consumption, and a quick start-up time. • Color: Black Housing w/ clear lens • Voltage: 12V-24V • Current: 333 mA • Wattage: 18W 3W per LED *Please note, when installing these units, they should be mounted to a flat surface to prevent damage due to over-tightening on an uneven surface • 1 Year Warranty 4 1/2 Length 1 1/8 Wide
