Spot

Product Information

These amazing pair of ECO-SERIES LED Flush Mount lights will give users the brightness and durability in auxiliary lights they are looking for. These super high power auxiliary work lights are the perfect solution for your work light needs. Unlike most flush mounts on the market that only give you spot or flood, these revolutionary cubes give off two types of beam patterns that give you maximum light spread to complete the job. Great for mounting in bumpers, work racks, etc. . LED Power: 48W . Dimensions: 3.0 inch . Operating Voltage: 10-30V DC . 16pcs*3w high intensity 3030 LEDs . Optional Color: Black, White . Color Temperature: 6000K . Material: Diecast aluminum housing . Lens material: PMMA . COMBO Beam: Pencil + spot . 30,000 hours above life time . Waterproof rate: IP 67
