Product Information

Introducing the RS-O2.5-2HA Truck and Trailer LED Markers, a cutting-edge lighting solution designed to enhance visibility and safety for your truck or trailer. These compact markers, measuring 2.5x1 inches, emit a vibrant amber light that not only elevates the aesthetic appeal but also ensures your presence on the road is unmistakably visible. Amber LED Brilliance: These markers utilize high-intensity amber LED technology to emit a bright and attention-grabbing light. Race Sport Lighting's LED Truck and Trailer Lights are the perfect upgrade to your marker lights, brake lights, tail lights, signal lights, or reverse lights on large trucks and trailers. Features: • SAE & DOT approved • Fully illuminated crystal optic LED lens system provides a solid, bright LED light • Kelvin Color Temperature: Amber • Available in a variety of colors, shapes, and sizes, for virtually any application • 1 Year Warranty
