Product Information

Introducing the RS120048 Heady-Duty 48-inch Triple Row LED Truck Tailgate Light Bar by Race Sport Lighting—a premium lighting solution engineered to redefine your vehicle's rear visibility and aesthetics. This meticulously designed light bar enhances safety, style, and functionality with its triple-row configuration, delivering an eye-catching display of light for various applications. Triple-Row LED Configuration: The RS120048 boasts a triple-row LED design, providing an impressive and evenly distributed illumination. This Triple row series light bar has a row of red diodes, amber diodes, and white diodes. The Red diodes are controlled for running and brake. The white diodes function on reverse, and the Amber does a sequential running left and right turn signal. 48-Inch Length: With a length of 48 inches, this light bar spans the width of your truck's tailgate, maximizing the coverage area. Multi-Functionality: The RS120048 is not just a brake light; it's a versatile lighting so
