Product Information

Race Sport Lighting’s Super-Bright 8-Pod LED Truck Bed Lighting Kit illuminates the entire bed of your truck with a flip of a switch, allowing you to easily work after. This truck bed lighting system includes two separate strands of 4 pods with nine 5050 SMD LEDs per pod, giving you a total of 8 pods and 72 ultra-bright cool white LEDs. Each 4-inch square pod is 100% waterproof and only .20 of an inch thick, making them extremely easy to hide. Unlike the competition, Race Sport Lighting's uses this smaller pod to avoid hanging below the bed rails. Each truck bed light strand includes 2 feet of wire between each pod. Each pod is effortlessly mounted under your bed rails using either the included 3M tape or screws. -8 pods with 9 LEDs each, total of 72 ultra-bright LEDs -Kelvin Color Temperature: White -5x more brighter than competitors -Includes easy to Use On/Off Switch -Secure 4 pin connections -Built-in 2 way splitter, 4 pods each strand. -2 types of mounting, flat and angled gask
