## Product Information

Introducing the RSLDPODW 9W/720LM IP68 LED Glow POD Station Lights, also known as Rock Lights in a stunning white hue. These lights are engineered to elevate your vehicle's aesthetics while providing robust, high-performance illumination. Perfect for off-road enthusiasts, these LED Glow POD Station Lights redefine the concept of ambiance and functionality. Designed for durability and versatility, each Rock Light in the RSLDPODW set boasts an IP68 rating, ensuring water and dust resistance. This makes them ideal for rugged off-road adventures, ensuring that your lights continue to shine brightly regardless of the environmental conditions. Each light in the set delivers an impressive 9 watts of power, providing a total luminous flux of 720 lumens. This powerful output is perfect for accentuating the unique features of your vehicle and enhancing visibility in and around it. The white hue adds a touch of sophistication, creating a modern and stylish glow that sets your vehicle apart.
