Product Information

The RS3EW LED Strip 3-meter Extension Wire - the ultimate upgrade for your Race Sport Lighting ColorADAPT RGB system. Specifically crafted to seamlessly integrate with RS04RGB, RS08RGB, RS12RGB, RSUKIT, RSIKIT, and RSWWKIT, this extension wire empowers you to make longer runs to place the light where you need it.9 feet (3-meters) of flexibility, allowing you to extend and enhance your Race Sport Lighting setup effortlessly. Engineered for durability and precision, the RS3EW is built to withstand the rigors of the road. The 3-meter length provides the reach you need to illuminate every inch of your vehicle, from front to back. No more cutting or making your own extension cables, the RS3EW LED Strip Extension Wire is not just an accessory - it's a game-changer for installers who demand solutions that keep the installation of our products going faster and smoother.
