Product Information

Introducing the RS-B19MM-LEDG, an exceptional 19mm Flush Mount Pre-Wired LED 2-Position On/Off Switch by Race Sport Lighting. Engineered with precision and style, this switch is designed to provide you with effortless control over your electronic systems, complemented by a striking Green LED indicator. The RS-B19MM-LEDG boasts a sleek Black Finish, offering a sophisticated and seamless integration into your vehicle or equipment panel. The 19mm size ensures a compact footprint, making it an ideal choice for applications where space is a premium. The pre-wired design simplifies installation, saving you time and effort during setup. With its vibrant Green LED indicator, this switch not only enhances the visual appeal of your control panel but also serves as a clear status indicator for your connected devices. The 2-Position On/Off functionality provides straightforward and intuitive control, allowing you to power your devices with ease. Finished in a seductive black these 19mm Race
