Product Information

Illuminate your vehicle with the RS-281-4LED-WA 4 L.E.D Grill Strobe Light Kit by Race Sport Lighting. This high-performance strobe light kit is designed to enhance visibility and safety with its sleek design and powerful LED technology. Ideal for emergency vehicles, utility trucks, and other applications where a reliable warning signal is essential, this kit offers a combination of versatility and efficiency. Dynamic White/Amber LED Combination: The RS-281-4LED-WA features a dynamic combination of white and amber LEDs, creating a visually striking and attention-grabbing warning signal. There are 2 modules with white LEDs and 2 with amber. Four LED Modules for Comprehensive Coverage: With four strategically positioned LED modules, this kit provides comprehensive coverage, ensuring a powerful and evenly distributed warning signal. Multiple Flash Patterns for Customization: Customize your warning signal with multiple flash patterns, allowing you to adapt to different scenarios and pr
